COMMENTS: On February 22, 2012, Department personnel conducted an unannounced annual air program compliance inspection of A Kitchen and Bath Group located in Okaloosa County. The Department would like to thank Mr. Aaron Tew for his assistance during and following the inspection.

Records are well maintained as required and indicated the facility is in compliance with the permit limits. According to Mr. Tew, an acetone reclaimer was installed during past year, but no other changes have been made. No excessive odors were noted during the inspection and the facility appears to be well maintained.
