COMMENTS: INS2. Andros Boatworks compliance inspection; met with Don Eggebrecht (941-928-9097); reviewed measures in place to control odor (seem o be working; 12/09/2011 INS1 no odor detected off of property line); obtained written copy of \$7,000.00 stack extension quote facility received last week. NOTE: They had to take the stacks apart to determine the manufacturer -> submit for quote. Since current odor control measures are working and stack modification is \$\$\$, they will wait to make any changes to the stacks. Currently spraying 32 ft boats t ~4:00 am while still dark out w/ doors closed.
