Re: Air Pollution Source, Collier County – Compliance Assistance
(Perchloroethylene Dry Cleaner), Facility ID 0210120

Dear Mr. Patel:

Representatives of the Florida Department of Environmental Protection visited your facility on October 17, 2012. The purpose of the site visit was to provide assistance complying with air and hazardous waste regulations pertaining to your business. Hazardous waste regulations will be addressed in a separate report.

Clarification of certain recordkeeping and monitoring requirements of the general permit were reviewed during the site visit. Please provide a copy of the startup, shutdown, and malfunction plan for the dry cleaning machine within 15 days of the date of this letter. To ensure future compliance with your permit, please review the recommendations noted in the comments section of the enclosed report.

Any questions regarding this matter should be directed to Laura Comer at (239) 344-5626, via email at laura.comer@dep.state.fl.us or at the letterhead address.

Sincerely,

Ajaya Satyal
Air Program Administrator
