COMMENTS: There was no one on-site at the time of the inspection. One non-operating silo was loacted in the rear of the facility. There are a few sand piles and loading trucks on-site as well. The facility is used to load trucks with Gunite for lining of pools off-site. Dept. staff will need to schedule an inspection with facility staff Joe Paladino. However, silo will not be operational since it is before 7:30am. Facility needs to submit a notification of change in representative.
