Dear Ms. Edwards:

Thank you for your recent payment of the 2006 annual operations fee. Your check payment (check # 13692) in the amount of \$100.00 was received on January 12.

Rule 62-213.300, Florida Administrative Code (F.A.C.), stipulates that an annual emission fee of \$50.00 is due and payable for the preceding year in which the facility was in operation and subject to the requirements of the general permit. Per your conversation with Dickson Dibble on this date, we are returning your check (#13692).

You should receive a second invoice for the \$50.00 annual emission fee in February. This fee is due and payable by March 1, 2007.

If you have any additional questions or do not receive your invoice by mid-February, please contact Dickson Dibble at 850/921-9586 or me at 850/921-9583.

Sincerely,

Sandra Bowman
