Dear Ms. Edwards:

Thank you for your note notifying the Department that Ed's Cleaners is no longer an operating plant. The Department received your note on December 21 and changed the facility status to *inactive* in the database.

Rule 62-213.300, Florida Administrative Code (F.A.C.), stipulates that an annual operation fee is due and payable for the **preceding** year in which the facility was in operation and subject to the requirements of the general permit. Our records indicate that Ed's Cleaners operated as a Title V general permit facility in **2006**. Therefore, the annual operation fee for which you were recently invoiced is due and payable between January 15 and March 1, 2007.

If you have any additional questions or need additional information, please contact me at 850/921-9583.

Sincerely,

Sandra Bowman
