(11) w/carbon adsorber								l	
(12) w/ no controls									
(b) Control devices are required, but not yet installed [] (c) No control devices are required to be installed [] 2.(a) What was the total quantity of perchloroethylene (perc) purchased in the latest 12 months? [50] gallons									
(b) If less than 12 mont Check why it is less] New store	: [] Did	not k	eep records:	
3. What is the facility's so (Indicate with an "X".				defi	nitions found	in section (3	3) of	Part II?	
Existing small ar	Existing small area source New small area source								
Existing large are	Existing large area source [] New large area source []								

DEP Form No. 62-213.900(2) Effective: 6-25-96

(Indicate with an "X".)						
Existing large area source Carbon adsorber	Refrigerated condenser []					
New small area source Refrigerated condenser						
New large area source Refrigerated condenser						
5. A facility which contains non-exempt emissions units shall not be eligible to use the general permit pursuant to Rule 62-213.300, F.A.C. Verify that all steam and hot water generating units on-site meet the following exemption criteria or that no such units exist on-site:						
All steam and hot water generating units on-site (1) have a total heat input of 10 million BTU/hr or less (298 boiler HP or less), and (2) are fired exclusively by natural gas except for periods of natural gas curtailment during which propane or fuel oil containing no more than one percent sulfur is fired.						
All steam and hot water generating units exempt No such units on-site						
Equipment Monitoring and Recordkeeping Information						
Check all logs which are required to be kept on-site	in accordance with the requirements of this general permit:					
(a) Purchase receipts and solvent purchases	تك					
(b) Leak detection inspection and repair	(X)					
(c) Refrigerated condenser temperature monitoring	K					
(d) Carbon adsorber exhaust perc concentration mor	nitoring []					
(e) Instrument calibration						
(f) Start-up, shutdown, malfunction plan						

DEP Form No. 62-213.900(2)

Effective: 6-25-96

Surrender of Existing Air Permit(s)

Please indica	te with an "X" the appropriate selec	tion:						
	I hereby surrender all existing air permits authorizing operation of the facility indicated in this notification form; specifically, permit number(s) No air permits currently exist for the operation of the facility indicated in this notification form.							
Δ								
	Responsible Official Certification							
I, the undersigned, am the responsible official, as defined in Part II of this form, of the facility addressed in this notification. I hereby certify, based on information and belief formed after reasonable inquiry, that the statements made in this notification are true, accurate and complete. Further, I agree to operate and maintain the air pollutant emissions units and air pollution control equipment described above so as to comply with all terms and conditions of this general permit as set forth in Part II of this notification form.								
I will pro	mptly notify the Department of any	changes to the information contained in this notification.
