Dear Mr. John Smith:

We are in receipt of a letter (.pdf file copy attached) dated May 8, 2009 and authored by facility Owner/Authorized Representative, Ms. Robin Haeffner, Alltel Director of Environmental Affairs requesting a withdrawal of the subject

5/20/2009

item registration renewal.

According to the letter, you have determined that the subject item facility, based on current and historical fuel consumption data is eligible for exemption from use of the air general permit under Rule 62-210.300(3)(a)35., F.A.C. Categorical and Conditional Exemptions.

This e-mail is confirmation that based upon your determination of eligibility and Ms Haeffner's request the Department has withdrawn Alltel's Reciprocating Internal Combustion Engines Air General Permit Registration renewal effective May 19, 2009.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely,

*Dickson E. Dibble*
