**RE: Alltel Communications – Withdrawal of General Registration ARMS No. 0010122**

Dear Mr. Dibble,

This letter shall hereby serve to withdraw Alltel Communications' previous request for the registration renewal dated April 23, 2009. As per the telephone conversation that you had with John Smith, the Alltel Environmental Representative, on May 5, 2009, we are seeking to withdraw the General Registration ARMS No. 0010122. This registration is for the Alltel switching facility located at:

Alltel – Gainesville MTSO  
7525 NW 5<sup>th</sup> Blvd  
Gainesville, Florida 32608  
(Alachua County)

After reviewing the information for the current and historical fuel consumption at the facility, it was identified and determined that the facility is eligible for the Categorical exemption under F.A.C 62-210.300(3) (a) (35). However, Alltel shall continue to comply with all other applicable requirements and recordkeeping to qualify for exemption under this rule.

If you have any questions regarding this request for withdrawal, or require additional information, please contact John Smith by phone at 501-905-1199, or by email at: [John.Smith4@Verizonwireless.com](mailto:John.Smith4@Verizonwireless.com). I may also be reached at 501-905-5377 or by email at [Robin.Haeffner@alltel.com](mailto:Robin.Haeffner@alltel.com).

Sincerely,

Robin Haeffner  
Alltel Corp. Environmental Management  
Director – Environmental Affairs
