Mr. Norman,

I spoke with you back in August about the possibility of selling our Panama City Operation. We were shooting for the first of September but that fell through. We did finally sign the papers on Wednesday October 3, 2001. The date on the purchase agreement is October 14, 2001. I know you will find this hard to believe but the great legal system and its lawyers slowed us down.

We did make the sale to Dixie Service Cleaners of Bay County. Barbara Boyd, our old manager, is the president and I believe she has already been talking to you about her paper work. I appreciate all the help you have given her because all the forms can be overwhelming to a new owner.

I wanted to let you know the deal is done and to give you our permit number. Our number is 0050067. I am pretty sure this is right. I also wanted to thank you for all your help you have given us and I look forward to great relations in the future.

Sincerely,

Somers "Bubba" Dean IV
