Charles,

Just a heads-up, but I have changed the status of the subject item to **INACTIVE**.

Reason: I mailed out notification forms for all those permits expiring in 4th qtr. I received this one back marked as undeliverable, and unable to forward from the P.O. I called the phone number of record for this facility and the gentleman who answered told me that he was the new owner and the name of his business was no longer Dixie Mart Cleaners. He was unaware of the permit requirements and indicated to me that the previous owner, Barbara Boyd did not inform him of a permit.

The new owner/operators name is Javad Safdari, and the name of the facility is now called Emerald Coast Dry Cleaners, 220 South Tyndall Pkwy, Parker, FL 32404.

I resent the blank notification form and told him that it was important that he complete it as soon as possible and mail back to me. he indicated that he would. I told him to call me if he had any problems filling out or understanding the form.

Let me know if you have any questions.

Dick
