Dear Mr. Dan Gill,

Thank you for returning my call. It was a pleasure to speak with you this morning regarding the Surface Coating Operations Air General Permit Registration Form which you have submitted for the purpose of renewing your air general permit registration (see the attached .pdf file).

As I mentioned during our discussion, Page 7 of the form was left completely blank. I have highlighted the areas on page 7 that will need to be addressed.

You can download and print the form and once you have completed Page 7, please return via e-mail if possible, or fax to my attention to the Fax number below.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely,

*Dickson E. Dibble*
