Hello Sandy,

Sorry for the delay. Yes, all these facilities are in operation. Only 0970064 has changed their name and is under new management. I provided them with the permit application. Central District Air Compliance section will take care of all the other facilities on the list.

We are currently one person short. I'm no longer doing the dry cleaners. I was promoted to another job, same section. Please forward any other Dry Cleaner or Small Business Program correspondence to Tom Mulligan, my supervisor. He should be able to help you.

Thanks for everything.

Subject: RE: Expired Entitlements

Hi Rodell,

In looking through the ARMS database, I noticed that entitlements for the following facilities have expired. The last we heard from each facility was payment of their annual emissions fee.

Are these facilities still in operation? If so, they will need to submit another notification form for entitlement to operate for the next 5 years. If not, please let me know so that I may inactivate them.

Thanks for looking into this for me. If you have any questions, please give me a call.
