Subject: RE: Your permit-PreCast Specialties #0110017-004-AG

Dear Mr. Mora,

Thank you for your e-mail regarding a contact person name change and your desire to be the contact person all for future correspondence.

You are indicated as the Owner/Authorized Representative in our database and Mr. Marshak was shown as the Facility Contact.

Since we always address our correspondence directly to the permitted facility and the facility contact, I have gone ahead and removed Mr. Marshak as the Facility Contact and replaced his name with yours, which now displays you as both the Owner/Authorized Representative and also the Facility Contact.

If you have any questions, comments, or concerns please e-mail or call.

Thank you and have a great day!

Sincerely yours,

Dickson E. Dibble

Subject: RE: Your permit

Dear Ms. Brooks and Mr. Mora,

Your interpretation of the rule is correct, however the actual issue date was 02/14/2011.

The letter of acknowledgement (see attached .pdf file) was mailed on 02/15/2011 to the attention of Mr. Dave Marshack at the facility address.

Hope this helps. If you have any questions, comments or concerns please e-mail or call.

Have a great weekend!

Sincerely yours,

Dickson E. Dibble

Subject: Your permit

Stan, this is straight from the applicable rule and the application.

(c) Use of Air General Permit.

1. Unless the Department denies use of the air general permit, the owner or operator of an eligible facility may use the air general permit for such facility 30 days after giving notice to the Department. The first day of the 30-day time frame, day one, is the date the Department receives the proper registration form and processing fee. The last day of the 30-day time frame, day 30, is the date the owner or operator may use the air general permit, provided there is no agency action to deny use of the air general permit

We gave notice on 1/14/2011 and supplied the additional information in a timely manner as requested. Therefore, since there has been no DENIAL of Permit sent to you, your general permit was active on 2/13/2011. DEP will send an acknowledgment letter but the application stands on its own as a permit after the thirty days. Mr. Dibble can correct me if I am wrong.

Stephanie Brooks
