Mr. Mark Hyman  
New World Dry Cleaners  
1875 University Drive  
Coral Springs, Florida 33071

Dear Mr. Hyman,

Thank you for your note regarding the removal of the dry cleaning machine from the premises of New World Dry Cleaners. The Department received your note on February 14 and has recorded the information in our database.

Rule 62-213.300, Florida Administrative Code (F.A.C.), states that an annual operation fee in the amount of \$50.00 is due and payable annually between January 15 and March 1 for the preceding year which the facility was in operation and subject to the requirement of the Title V general permit. Our records indicate that New World Dry Cleaners was in operation in 1999. Therefore, the annual operation fee is now due.

We will be sending out reminder notices along with invoices to facilities not yet paying the 1999 annual operation fee. For your convenience, a reminder notice and invoice will be mailed to New World Dry Cleaners. If you have any questions concerning the fee or the Title V general permit program, please call me at 850/921-9583.

Sincerely,
