**SURFACE COATING OPERATIONS  
AIR GENERAL PERMIT REGISTRATION FORM**

Bureau of Air Monitoring  
& Mobile Sources

**Part II. Notification to Permitting Office**

(Detach and submit to appropriate permitting office; keep copy onsite)

**Instructions:** To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

0112495-003

**Registration Type**

Check one:

**INITIAL REGISTRATION - Notification of intent to:**

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

**RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:**

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

**Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only**

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): 112495-002AG
- No air operation permits currently exist for this facility.

**General Facility Information**

**Facility Owner/Company Name** (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

David Weiger, President/CEO Palm Truck Centers, Inc.

**Site Name** (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

**Facility Location** (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 2441 S State Road 7 (441)

City: Ft. Lauderdale, FL County: Broward

Zip Code: 33317-6910

**Facility Start-Up Date** (Estimated start-up date of proposed new facility.) (N/A for existing facility)

June 1985

**Owner/Authorized Representative**

**Owner/Authorized Representative Statement**

This statement must be signed and dated by the person named above as owner or authorized representative

*I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.*

*I will promptly notify the Department of any changes to the information contained in this registration form.*

Signature  Date June 14, 2010

**Material Usage Rates**

If this is an **initial registration** for a surface coating operation, provide an estimate of the average quantity of volatile organic compounds in all coatings (solvents and thinners) expected to be used on a daily basis.

If this is a **re-registration** for an existing surface coating operation, provide the highest monthly average of the daily quantity of volatile organic compounds in all coatings (solvents and thinners) used in the last five years. Indicate the month and year during which this usage occurred.

**Subject:** RE: Palm Truck Air General Permit Registration

Dick,

I want to let you know it is okay to change VOC the for to reflect Jan 2010 total  
The VOC 84.40 represents the total usage in Jan 2010. Divided by 30 days equals 2.81 per day.

Have a great day,

Teri Joyner

Teri,

Thank you for your very prompt response to my request for additional information on the subject item facility's Surface Coating Operations Air General Permit Registration Form submitted and received by our office on June 25, 2010.

Just wanted to let you know that I received both of your e-mail transmissions at the same time and the information that I requested and which you have provided is exactly what I was looking for.

Thank you again and have a great July 4<sup>th</sup> weekend!

Sincerely yours,

*Dick*
