Bureau of Air Monitoring
& Mobile Sources

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

0112523-003

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
- No air operation permits currently exist for this facility.

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

WARNING NOTICE NUMBER: WRN11-0209

Pursuant to Chapter 27 of the Broward County Code of Ordinances ("Code" or "BCC"), the Environmental Protection and Growth Management Department (Department) has the authority and duty to control and regulate activities and facilities which adversely affect the air, water, soil and other natural resources of Broward County.

The undersigned certifies that he/she has just grounds to believe that on or about February 04, 2011, 0900 hours, at the location below, the following Respondent(s) violated the sections of the Broward County Code identified in each count:

Location: 300 S UNIVERSITY DR
Pembroke Pines, FL 33025

COUNT 1: Respondent: Vera Cadillac, Inc.

Violated Section 27-175(a), BCC, which states:

"Unless otherwise authorized by this article, no owner or operator shall construct or operate any source of air pollution, including parking facility (ies), except in accordance with a valid air quality license, permit, or parking facility (ies) license, and all general and specific conditions contained therein, including any other requirements under federal, state or local regulations."

By: Failing to submit a Surface Coating Operations - Notification of Intent to Use Air General Permit and required fee as required by rule 62-210.300(4)(c) of the Florida Administration Code.

Corrective Action:

Vera Cadillac - Hummer & Saturn of Pembroke Pines must submit the attached complete Surface Coating Operations - notification of intent to Use Air General Permit to the Florida Department of Environmental Protection and a copy to the Pollution Prevention, Remediation, and Air Quality Division.

Correct within 30 day(s) of service of this notice.
