Good morning Mr. Dumbroff!

I talked with your brother on Friday afternoon (you had already left for the day) to advise that an additional correction needed to be made to the Page 7 attachment. The monthly quantity should be divided by thirty (30) days, not the 20 days that you operated during the month of March 2009.

If you would be so kind and make that correction and re-submit Page 7, I will attach it as an addendum to your original form.

Thank you for your attention to this matter. If you have any questions, comments or concerns please e-mail or call.

Have a great day!

Sincerely yours,

Dear Mr. Dumbroff,

Thank you for your very prompt response to my request for the missing Page seven (7) and the information requested.

The information in the **re-registration** block is not quite complete in that the question asks for you to "...provide the highest monthly average of the

**daily** quantity of volatile organic compounds..." and not the monthly total. It is a simple matter of division by the number of days in a month, but unfortunately, by rule, I am not allowed to alter your form.

As requested on the form, please indicate the correct average "daily" VOC use during the month (March 2009) that was indicated and send me a copy of the corrected page 7.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely yours,

Re: Facility No. 112544

Dear Mr. Dumbroff:

Our records indicate your Surface Coating Operation Air General Permit (AGP) entitlement is set to expire on 3/18/2011.

Pursuant to the Florida Department of Environmental Protection (FDEP) Rule 62-210.310 or 62-213-300, Florida Administrative Code, your facility is entitled to operate under the AGP Program for no more than five (5) years.

To continue your entitlement, the Owner/Authorized Representative shall submit a new registration form containing all current information regarding the facility no later than thirty (30) days prior to the expiration of your facility's current AGP entitlement.

We have enclosed an AGP registration form checklist to assist you with the continuation of your five (5) year entitlement. Also, you may obtain a copy of the appropriate registration form from the FDEP Division of Air Resource Management webpage at [http://www.dep.state.fl.us/air/emission/air\\_gp.htm](http://www.dep.state.fl.us/air/emission/air_gp.htm).
