SURFACE COATING OPERATIONS  
AIR GENERAL PERMIT EXAMPLE REGISTRATION WORKSHEETOCT 05 2011  
DIVISION OF AIR  
RESOURCE MANAGEMENT

Facility Identification Number (If known)

0112569.

0112569-003

## Registration Type

Check one:

**INITIAL REGISTRATION** - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing permitted facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit). If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. (See "Surrender of Existing Air Operation Permit(s)" below.)
- Operates an existing facility not currently permitted or using an air general permit.

**RE-REGISTRATION** (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

**Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only, if Applicable**

All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s):

## General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

E.J. REFINISHING, INC.

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a complete registration must be submitted for each.)Facility Location (Physical location of the facility, not necessarily the mailing address.)

Street Address: 1936-A TIGERTAIL BLVD.

City: DANIA BEACH.

County: FL.

Zip Code: 33004-2141

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility.)

**Facility Contact**

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: \_\_\_\_\_ **EDISON JARAMILLO. DIRECTOR**

Facility Contact Telephone Numbers

Telephone: \_\_\_\_\_ **954. 927. 0403.** Fax: \_\_\_\_\_

Cell phone: \_\_\_\_\_ **305. 298. 6101.**

E-mail: \_\_\_\_\_ **JARAMILLO.EDISON@YAHOO.COM**

Facility Contact Mailing Address

Organization/Firm: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_ County: \_\_\_\_\_ Zip Code: \_\_\_\_\_

**Other Contact/Representative (to serve as additional Department contact)**

Name and Position Title

Print Name and Title: \_\_\_\_\_

Other Contact/Representative Telephone Numbers

Telephone: \_\_\_\_\_ Fax: \_\_\_\_\_

Cell phone: \_\_\_\_\_

E-mail: \_\_\_\_\_

Other Contact/Representative Mailing Address

Organization/Firm: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_ County: \_\_\_\_\_ Zip Code: \_\_\_\_\_

ADDENDUM TO THIS REGISTRATION  
DATED: 10/19/11

### Material Usage Rates

If this is an **initial registration** for a surface coating operation, provide an estimate of the average quantity of volatile organic compounds in all coatings (solvents and thinners) expected to be used on a daily basis.

If this is a **re-registration** for an existing surface coating operation, provide the highest monthly average of the daily quantity of volatile organic compounds in all coatings (solvents and thinners) used in the last five years. Indicate the month and year during which this usage occurred.

ABOUT 55 GALLONS OF THINNER PER MONTH.

NEED VOC'S!  
HIGHEST  
MONTH/YEAR  
ALL COATINGS,  
SOLVENTS  
& THINNERS

### Description of Facility

Below, or as an attachment to this form, provide a description of the surface coating operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

THIS FACILITY IS USED FOR  
FURNITURE RESTORATION. MOST  
OF THE PIECES HAS TO BE  
SPRAY WITH PAINT.

### Helpful Definitions

**"Coating"** - The application of a protective, decorative, or functional film to a surface.

**"Department"** or **"DEP"** - The State of Florida Department of Environmental Protection.

**"Emissions Unit"** - Any part or activity of a facility that emits or has the potential to emit any air pollutant.

**"Facility"** - All of the emissions units which are located on one or more contiguous or adjacent properties, and which are under the control of the same person (or persons under common control).

**"Owner"** or **"Operator"** - Any person or entity who or which owns, leases, operates, controls or supervises an emissions unit or facility.

Dear Mr. Jaramillo,

I have received the subject item registration worksheet (see attached .pdf file) which you have submitted for the purpose of the renewing of your surface coating operations air general permit registration, which expires on 10/26/11.

In order for me to continue with the review & processing of your registration, I am in need of the following additional information.

Page four (4) of the registration, under Material Usage Rates, and the applicable rule (Rule 62-210.310(4)(c)3.a. & b., F.A.C.) requests the following information:

If this is a **re-registration** for an existing surface coating operation, **provide the highest monthly average of the daily quantity of volatile organic compounds in all coatings (solvents and thinners) used in the last five years. Indicate the month and year during which this usage occurred.**

On the registration worksheet submitted you indicated that you used "**About 55 gallons of thinner per month.**"

The applicable rule (Rule 62-210.310(4)(c)2.a., F.A.C.) refers to the Volatile Organic Compounds (VOC) of all coatings, solvents, and thinners, in pounds (lbs.). As the result, the VOC information you provide should be expressed in lbs. rather than gallons. Once you have determined the month and year of greatest usage of VOC containing material, you must then determine the actual amount of VOC's in all of the VOC containing materials for that month.

Here is what I need from you in order for me to continue with the review and processing of your renewal registration.

- 1) In the last five (5) years, what was the **year** and the **month** in which highest monthly usage of VOC containing materials (coatings, thinners & solvents) occurred?
- 2) For that highest month, provide the average of the VOC's in all materials expressed in pounds (lbs.)

$$\text{Equation: } (xxx \text{ lbs VOC/mo} \div 30 \text{ days/mo}) = \text{average VOC lbs/day}$$

I hope this helps, but if you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely yours,

*Dickson E. Dibble*
