Re: Burnt Store DryClean

Dear Mr. Knight:

Thank you for your letter informing the Division of Air Resource Management that your facility Burnt Store Dryclean was sold January 08, 2001. We received your letter on February 15 and changed your facility status to inactive in our files.

The invoice you received was for the annual air operation fee. Rule 62-213.300(3), Florida Administrative Code (F.A.C.), requires the owner or operator of a facility, upon written notice from the Department, to submit payment of an annual operation fee in the amount of \$50. This fee is due and payable annually between January 15 and March 1 for the preceding year which the facility was in operation and subject to the requirements. Therefore, since our files indicate that Burnt Store DryClean (AIRS ID #0150060) was in operation in **2000**, the fee is now due. I apologize for any confusion on this matter in your recent telephone conversation with the Department.

For your convenience, a copy of your last invoice along with a self-addressed envelope is enclosed. If you have any questions or need additional information or assistance, please call me at 850/921-9583.

Sincerely,

Sandra Bowman
