Subject: drycleaners

Ms. Brynes,

I have several drycleaners that have gone out of business and are inactive. These are all field verified. I need them to be changed to inactive in the GPCI database.

All Star Drycleaners
Airs ID # 0350015

Fernandina Cleaners
0890425

Millhopper
0010114

Rene
0190049

Ron's
0010095

Sudzee-Dudz
0010108

Town & Country
0190047

There might be a few more but I will have to verify them.

Thanks!

Good morning Marc!

For all five (5) Title V AGP facility types including Perchloroethylene Dry Cleaners:

- 1) Tallahassee should be advised in writing by the Owner/Authorized Representative (O/AR) of the facility; or
- 2) If the RO or Facility Contact is not available, it should be verified by inspection, and an e-mail from you or any other inspector advising us of the shut-down will suffice.

- 3) All Dry Cleaner AGP issues are currently handled by **Marnie Brynes** of our office and if a facility needs to be changed to INACTIVE, she will handle those requests. Her contact information and e-mail address is as follows:
(Please cc: me on all requests.)
Marnie.Brynes@dep.state.fl.us
(850) 922-8978

For all eleven (11) Non-Title V (5) AGP facility types:

- 1) If the Non-Title V AGP facility was most recently entitled **by your office ((NED) – that is, before Tallahassee assumed the GP permitting function)), then your office** should perform the Facility Status change to that facility, as INACTIVE.
- 2) If the Non-Title V AGP facility was most recently entitled **by the Tallahassee Office (TAL)**, then the Tallahassee Office should be notified by the O/AR, or if they are not available, an e-mail from you to me, indicating that you verified via inspection that the facility in-fact was closed, out-of-business, or shut down.
- 3) Any Non-Title V AGP facilities most recently entitled **by the Tallahassee Office (TAL)**, or inspections resulting in a request to change the Facility Status to INACTIVE, or any other administrative changes, are currently handled by myself.

I hope this helps to answer your question.

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great weekend!

Dick

Mr. Dibble,

In the GPCI database, how do I make drycleaner facilities inactive? I have several facilities that have shut down in the last couple of years and they still show up on my active list. Thanks.
