Dear Mr. Luis Garcia,

Good afternoon!

Approximately two (2) weeks ago I sent an e-mail to you (see the attached e-mail above), requesting additional information which was omitted on the original registration form submitted, for the purpose of renewing your facility's Concrete Batching Plant Air General Permit Registration.

There are currently five (5) days remaining in our thirty (30) day entitlement review period. If I don't receive the requested information by no later than close of business on Friday, April 16, 2010, I will have to deny your registration and the renewal of your entitlement to operate. I really don't want to have to do that, so if you would be so kind and provide the missing information, I would greatly appreciate your attention to this matter.

If you have any questions, comments or concerns please e-mail or call me.

I look forward to hearing from you very soon.

Sincerely yours,

Dickson E. Dibble
