Wayne or Richard,

Please see the attached letter. I received this letter attached to a renewal registration for AIRS ID #0310367 on Gandy Street. The letter communicates that their former plant #4, AIRS ID# 0310366 (see subject item) was sold and then ultimately closed. Our records in ARMS shows that it is still an ACTIVE facility under the name of Mr. William N. Thomas the previous owner.

At your convenience, would it be possible to have someone from your group, go to the Wilson Blvd site, and verify whether or not this facility is in-fact closed and out of business, or in operation? If you find it out of business, I will then go ahead and change the facility operating status to INACTIVE.

Thank you for any assistance that you might be able to provide.

Call or e-mail if you have any questions.

Dick
