Dear Mr. Park:

Thank you for your note informing the Department that Cobblestone Cleaners is no longer operating. The Department received your note on February 17 and has recorded the information in our database.

Rule 62-213.300, Florida Administrative Code (F.A.C.), states that an annual operation fee in the amount of \$50.00 is due and payable annually between January 15 and March 1 for the preceding year which the facility was in operation and subject to the requirement of the Title V general permit. Our records indicate that Cobblestone Cleaners was in operation in 1999. Therefore, the annual operation fee is now due.

We will be sending out final reminder notices along with invoices to facilities not yet paying the 1999 annual operation fee. For your convenience, a reminder notice and invoice will be mailed to Cobblestone Cleaners. If you have any questions concerning the fee or the Title V general permit program, please call me at 850/921-9583.

Sincerely,

Hey Rick, just wanted to let you know that Cobblestone Cleaners (AIRS ID # 0310386) is closed. They removed their machine. Also, Country Day Cleaners (0310416) was listed as Inactive in ARMS. They sent a letter to the State stating they were going to close, but changed their mind. I went ahead and put them back as Active in ARMS. I performed an inspection last week and talked with the owner. He said they were going to move but changed his mind due to the cost.
