Plant Reopening
Plant City 2 RM Facility
0570124-008-AG

Dear Mr. Dibble,

Please be advised that the above mentioned facility will be reopening effective January 25, 2010. As a result we respectfully request that the Air general Permit for this plant be placed back in active status. Method 9 visual emissions testing will be scheduled for the facility within the required time frame.

If you have any questions please do not hesitate to contact me.

Sincerely,

Jason Jones
