# CONCRETE BATCHING PLANT AIR GENERAL PERMIT REGISTRATION FORM RECEIVED

**Part II. Notification to Permitting Office**  
(Detach and submit to appropriate permitting office; keep copy onsite) **SEP 29 2011**

**DIVISION OF AIR  
RESOURCE MANAGEMENT**

**Instructions:** To give notice to the Department of an eligible facility's intent to use the permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050(4)(c), F.A.C. (\$100 as of the effective date of this form)

**0570297-004**

**Registration Type**

Check one:

**INITIAL REGISTRATION** - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

**RE-REGISTRATION** (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

**Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only**

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): \_\_\_\_\_
- No air operation permits currently exist for this facility.

**General Facility Information**

**Facility Owner/Company Name** (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

Davis Concrete Inc

**Site Name** (Name, if any, of the facility site; e.g. Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

Linebaugh

**Facility Location** (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 5006 W. Linebaugh Avenue

City: Tampa

County:

Hillsboro

Zip Code:

33624 - 5030

**Facility Start-Up Date** (Estimated start-up date of proposed new facility.) (N/A for existing facility)

**Owner/Authorized Representative**

**Name and Position Title** (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: L. Douglas Davis VP

**Owner/Authorized Representative Mailing Address**

Organization/Firm: Davis Concrete Inc

Street Address: 1670 Sunshine Drive

City: Clearwater County: Pinellas

Zip Code: 33765

**Owner/Authorized Representative Telephone Numbers**

Telephone: 727-733-3141

Fax: 727-210-1311

Cell phone (optional):

**Facility Contact (If different from Owner/Authorized Representative)**

**Name and Position Title** (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title:

**Facility Contact Mailing Address**

Organization/Firm:

Street Address:

City:

County:

Zip Code:

**Facility Contact Telephone Numbers**

Telephone:

Fax:

Cell phone (optional):

**Owner/Authorized Representative Statement**

This statement must be signed and dated by the person named above as owner or authorized representative

*I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.*

*I will promptly notify the Department of any changes to the information contained in this registration form.*

  
Signature

Sept. 20, 2011  
Date

**Type of Facility**

Check one:

Stationary Facility

Relocatable Facility

**Type(s) of Reasonable Precautions Used to Prevent Unconfined Emissions**

Check all precautions to be used for the management of roads, parking areas, stock piles and yards:

Pave Roads

Pave Parking Areas

Pave Yards

Maintain Roads/Parking/Yards

Use Water Application

Use Dust Suppressant

Remove Particulate Matter

Reduce Stock Pile Height

Install Wind Breaks

Check all precautions to be used for the management of drop points to trucks:

Spray Bar

Chute

Enclosure

Partial enclosure

**Description of Reasonable Precautions**

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

This is loading site for Volumetric ReadyMix operations  
All materials - Cement, sand, rock, flyash & water are  
loaded into separet compartments on the trucks and dis-  
patched to job site where the materials are combinded,  
mixed & dispensed to the customer

**Description of Facility**

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

Port cement loaded into silo from tanker - dust controlled by filter bags on silo. Unloading cement from silo to volumetric readymix truck - emissions controlled by flexible duct secured to silo and truck compartment.

Equipment: 2 Cement Silos #1 #2  
1 flyash silo #3

**\* SEE ATTACHED E-MAIL DATED 10/11/11  
AS AN ADDENDUM TO THIS REGISTRATION.**
