Gail,
OK I changed the address back to 14946 Florida Ave N. for Bearss Plaza site, sorry for the confusion. This facility is listed as inactive. Is the site name correct in the following screenshot for the Bearss Plaza facility (McNatt's Cleaners #1)?
The Florida Ave. Cleaners & Laundry DBA McNatt's Cleaners on 6210 N. Florida Ave. is not listed in our system. Have you ever had an Air General Permit for this facility, ie have you ever used Perchloroethylene at this facility?

Ok look at the last screenshot I sent for Bearss Plaza Cleaners and Laundry – McNatt’s Cleaners. In the comments field
an inspector had noted the switch to petroleum based solvent back in 2006. Your Air Division facility Id is 0571079, the
other Id may be your waste permit I’m not sure. I’ll update the address and put another note that there is still no
Perchloroethylene at the facility. Thank you
