CONTACT(S): G. D. Chhabra				

Today's visit was to conduct the annual inspection.

The dry cleaning machine is the same one noted in the last inspection and the serial number for this machine is 8688. This machine probably was made in 1987. The label on the machine is in Italian.

The machine was in operation today. No leaks or odors were noticed.

Mr. Chhabra's record keeping is in good shape. He has all of the records in a single file. His perc purchase receipts indicated he had purchased 121 gallons over last twelve months.

Mr. Chhabra does have the owners manual for the machine which includes a startup/shutdown/malfunction plan.
