Subject: Info for Oldcastle Precast, Inc. Marianna Location

Dickson,

Mike Kovalick will be your point of contact at the plant now... his number is 239.872.3266 (for your records)

The info you are looking for is as follows:

- The cement silo has 120T capacity
- The FA silo has 75T capacity
- They both share a Central "Automatic" fully contained bag house unit. This thing does not leak!
 - o Cyclonaire
 - o 270060
 - o MPI____2985 (serial #)
