Re: O'Brien Concrete Batch Plant
AGP 0694843-002

Dear Ms. Veasey,

On behalf of Prestige AB Management Co, LLC, we would like to inform you that we have suspended operations at the above facility. The decision is due to the continuing decline in construction activity in the area serviced by this plant.

We wish to maintain the permit in an active status and will adhere to the terms and conditions of the permit.

We will advise you when day to day operations resume.

Regards,

Mike Mahoney, Compliance Manager
