Good Morning Dick,

The Electric motors are - TEFC, totally enclosed fan cooled. Let me know if you need additional information.

Thank you

Good Morning Janine,

I hope you had a wonderful July 4th Holiday weekend!

I called this AM & left a message with one of your co-workers. I need to know if these TOSHIBA motors for the Corkscrew project are Reciprocating Internal Combustion Engines (RICE) (diesel, or gas), or are they electric?

Thank you,

Dick

Dick

Hope you had a nice weekend. I have attached the information for the processing plant. Please let me know if there is anything else you will need.

Thank you
