SURFACE COATING OPERATIONS
AIR GENERAL PERMIT REGISTRATION FORM

DEC 10 2009

Bureau of Air Monitoring
& Mobile Sources

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

0810225-002

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

PHYSICAL CHANGE OF LOCATION - SEE ATTACHED LETTER 12/3/09. id.

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
- No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

Richard Weisgold RICHTEK LLC

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

MAACO Collision Repair & Auto Painting

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Material Usage Rates

If this is an initial registration for a surface coating operation, provide an estimate of the average quantity of volatile organic compounds in all coatings (solvents and thinners) expected to be used on a daily basis.

34 lbs/day

If this is a re-registration for an existing surface coating operation, provide the highest monthly average of the daily quantity of volatile organic compounds in all coatings (solvents and thinners) used in the last five years. Indicate the month and year during which this usage occurred.

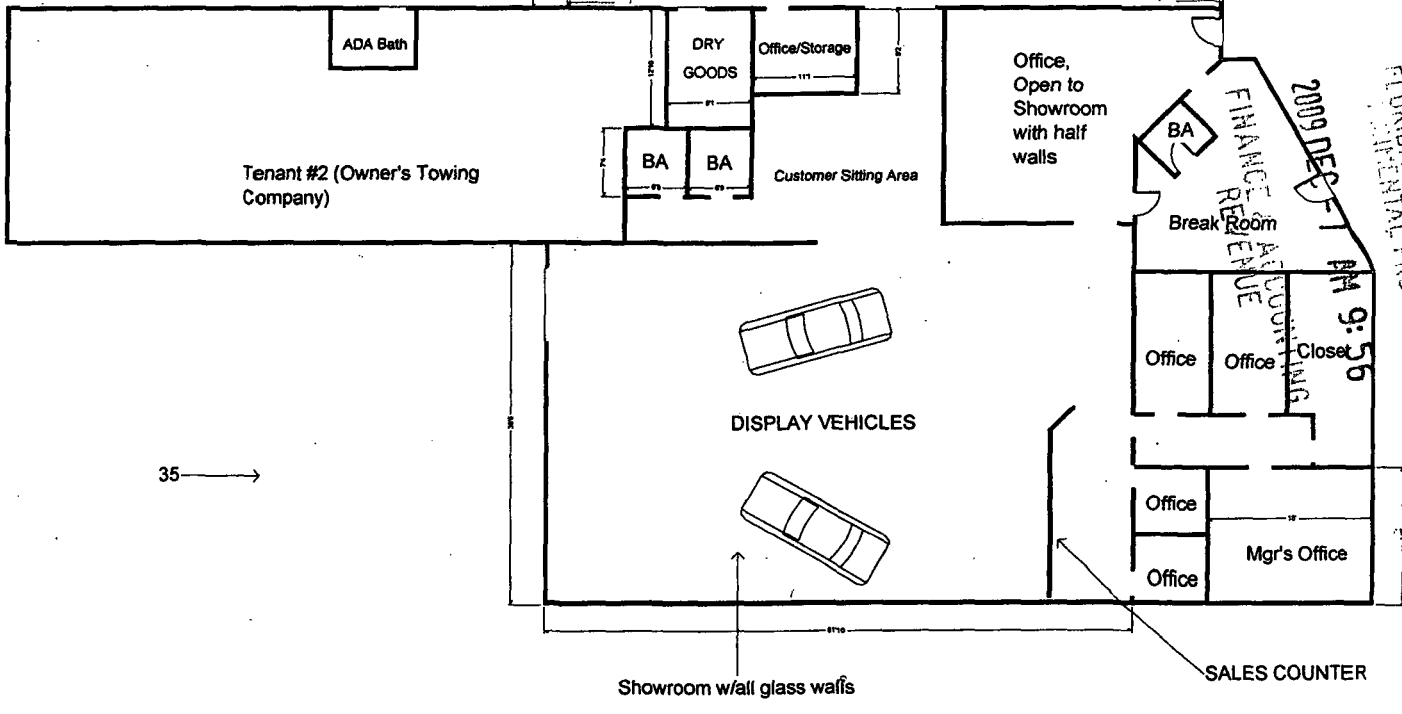

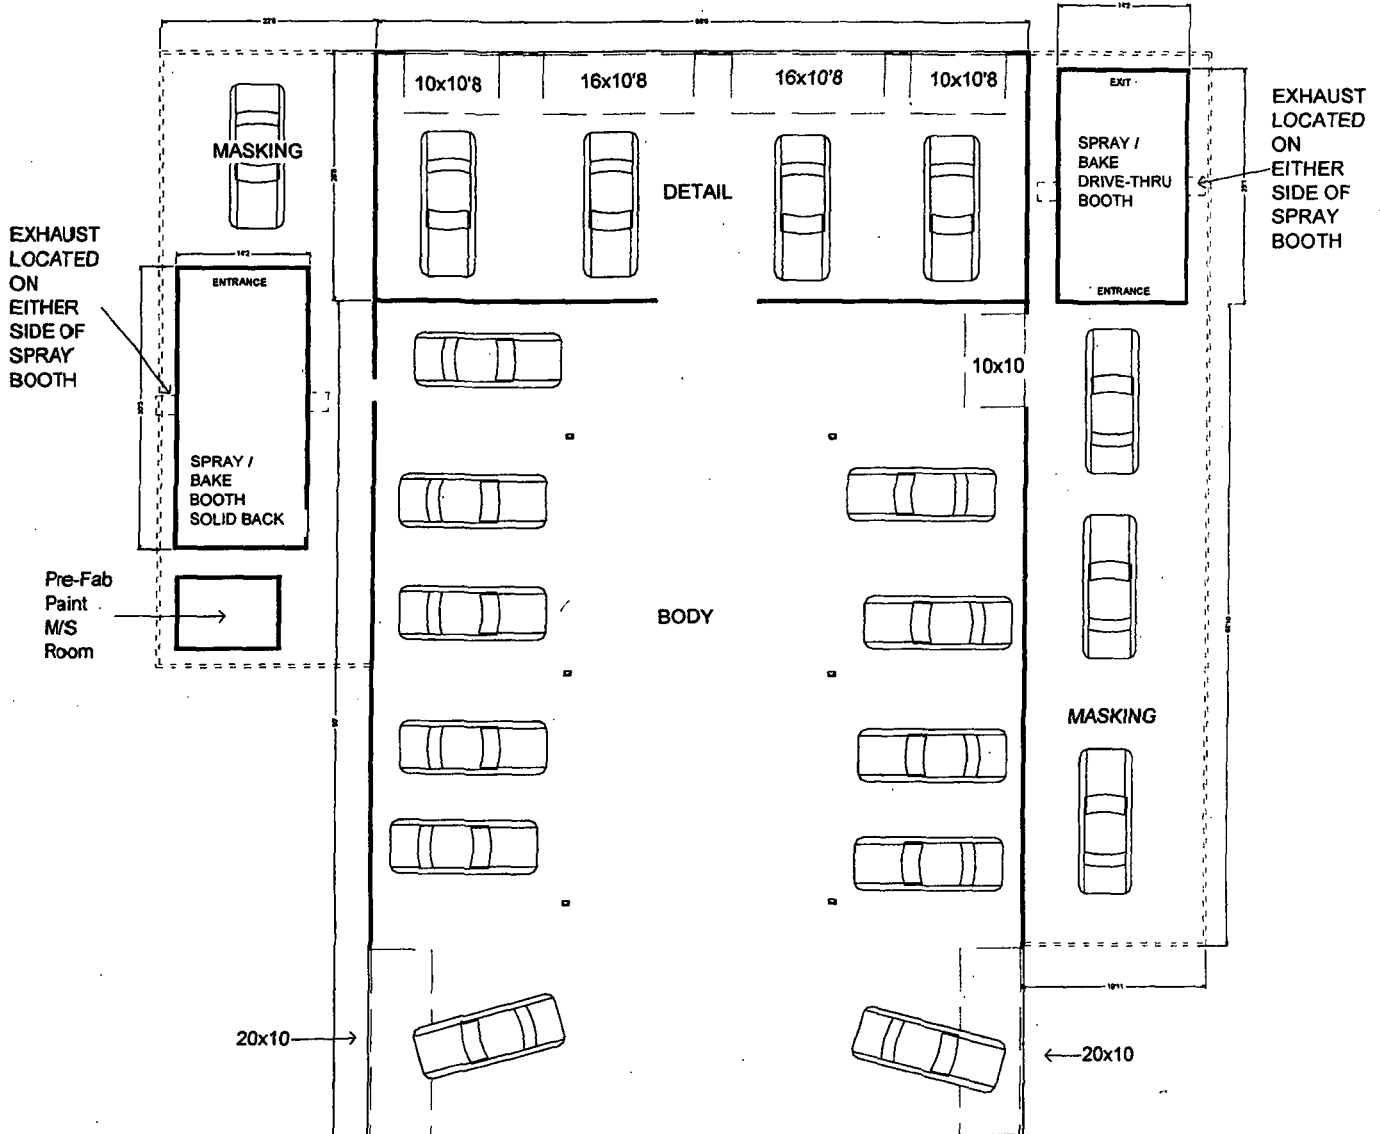

Description of Facility

Below, or as an attachment to this form, provide a description of the surface coating operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

Richtek, LLC. dba MAACO Collision Repair & Auto Painting, is an auto body shop used for the refinishing and resurfacing of automobiles. This facility has two existing spray/bake booths. The booths are pressurized semi-downdraft with filtration media (99.5% efficiency) for particulate control. The emissions from the equipment will consist of VOC's and a small amount of particulate after filtration. Criteria pollutants from the combustion of natural gas are also emitted. The applicator is a high efficiency gravity feed gun that provides equal or better efficiency of transfer than HVLP. A Hercules G200 totally enclosed gun washer will also be used for cleanup.

This equipment meets the criteria for the MACT standard 40CFR Part63 subpartHHHHHH

INITIAL NOTIFICATION
Paint Stripping and Miscellaneous Surface Coating
Area Source Rule
Subpart HHHHHH
40 CFR 63.11169 – 63.11180

1. **Company Name (if applicable)** Richtek, LLC. dba MAACO Collision Repair & Auto Painting

2. **Information about the owner and operator:**

a. Owner's Name and Title Richard Weisgold, Owner

Owner's Street Address 5267 Visionary Court Sarasota FL 34233
Street City State Zip

Owner's telephone number (941)539 8619 cellular

Owner's email (if available) rweisgo11@verizon.net

Is the Operator the same person as the Owner? Yes No

If the Operator information is different please provide the following (Attach a list with the same information for additional operators):

b. Operator's Name and Title _____

Operator's Street Address _____
Street City State Zip

Operator's telephone number _____

Operator's email (if available) _____

Is there any other certifying company official that will sign this form? Yes No

If Certifying Official information is different please provide the following:

c. Certifying Official's Name and Title _____

Certifying Official's Street Address _____
Street City State Zip

Certifying Official's telephone number _____

Certifying Official's email (if available) _____

3. **The street address (physical location) of the affected source**

2903 9th Street Bradenton FL 34205
Street City State Zip

Are the compliance records located at the same location? Yes No

If the location of compliance records is different please provide street address:

Street City State Zip

Is the source a motor vehicle or mobile equipment surface coating operation that repairs vehicles at the customer's location, rather than at a fixed location?

Yes No

4. **Identification of Standard (you must check this box):**

Yes, I am subject to 40 CFR Part 63 Subpart HHHHHH, National Emission Standards for Hazardous Air Pollutants: Paint Stripping and Miscellaneous Surface Coating Operations at Area Source; Final Rule

5. **A brief description of the type of operation:**

For Surface Coating Operations

- a. I am a:
 Motor Vehicle or Mobile Equipment Surface Coating Operation
 Miscellaneous Surface Coating Operation
- b. Number of spray booths 2
- c. Number of preparation stations 0
- d. Number of painters usually employed 1

For Paint Stripping Operations

- a. Methods of paint stripping employed (check all that apply)
 Chemical
 Mechanical
 Other (please describe) _____
- b. Substrates stripped (check all that apply)
 Wood
 Plastic
 Metal
 Other (please describe) _____

6. **Methylene Chloride (MeCl) Used by Paint Stripping Operations**

Do you plan to use more than 1 ton of MeCl annually? Yes No

7. **Compliance Status, please check one:**

For paint stripping operations, the relevant requirements that you must evaluate in making this determination are specified in 40 CFR 63.11173(a) through (d) of this subpart. For surface coating operations, the relevant requirements are specified in 40 CFR 63.11173(e) through (g) of this subpart.

- I am already in compliance with each of the relevant requirements
 I will be in compliance with each of the relevant requirements by the compliance date

New Source (after Jan 9, 2008) Compliance date is date of startup

New Source (after September 17, 2007 but before January 9, 2008) Compliance date is January 9, 2008

Existing source (before September 17, 2007) Compliance date is January 10, 2011

8. **Certification of compliance status**

You must check one:

Note: Initial startup is the first time equipment is brought online in a paint stripping or surface coating operation, and paint stripping or surface coating is first performed.

- I am a new source (Initial startup was on or after January 9, 2008) Date Projected 1-2010
 I am a new source (Initial startup was after September 17, 2007 but before January 9, 2008) Date _____

If your source is a new source, a responsible official, whose information is provided above, must certify by signing below that the source is in compliance with each of the relevant requirements of this subpart.

- I am an existing source (Initial startup was before September 17, 2007) Date ~1999

If your source is an existing source, a responsible official, whose information is provided above, may certify below that the source is already in compliance with each of the relevant requirements of this subpart or certification may be done by March 11, 2011 in the Notification of Compliance Status as specified in 40 CFR Section 63.11175(b)

- I am certifying below I will certify by March 11, 2011

(There is no need to sign below, you must sign a statement by March 11, 2011)

I certify the truth, accuracy, and completeness of this notification. The source has complied with all the relevant standards of this subpart. This initial notification also serves as the notification of compliance status.

RE: Richtek, LLC dba MAACO Collision Repair and Auto Painting
Surface Coating Operations Air General Permit Registration Form
General Permit #: 0810225

Dear Dick:

Enclosed is an Air General Permit Registration Form and \$100 filing fee for Richtek, LLC dba MAACO Collision Repair and Auto Painting located in Bradenton. A registration form for this facility was submitted back in June 2009 for the address 3155-3157 9th Street West in Bradenton. The facility never opened at this location and will be opening at 2903 9th Street. Please note this new location is an existing facility (that was never permitted under the general permit program) and the existing spray/bake booths will be used.

The attached registration form is for the physical change of address for Richtek, LLC dba MAACO Collision Repair and Auto Painting. The general permit number 0810225 was issued for the previous location at 3155-3157 9th Street West in Bradenton.

If you have any questions, please contact me at (610) 286-0305.

Sincerely,

Karen M. McCoach
Environmental Engineer
