

(EXPIRES: 05/01/2010)

CONCRETE BATCHING PLANT AIR GENERAL PERMIT REGISTRATION FORM

RECEIVED
Bureau of Air Quality
P. Mobile Springs
JUN 17 2010

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

0910016-003

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s):
- No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

~~Ft. Walton Concrete Company~~ CRESTVIEW READY MIX

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

~~Ft. Walton Concrete Company~~, Crestview, ARMS # 0910016-002-AG

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: 1070 Farmer Street

City: Crestview

County: Okaloosa

Zip Code: 32539

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility)

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

This is a Dry Batch Plant manufactured by the Vince Hagen Company.

Plant utilizes an overhead spray bar with misting heads to control the droplet size blanket the cement/fly ash emissions, as well as the aggregate dusting.

Silo fill bag-houses to control the discharge of emissions.

To: Dibble, Dickson
Subject: RE: AIRS ID# 0910016, CRESTVIEW READY MIX dba CRESTVIEW RM PLANT, 1070 Farmer St, Crestview, FL 32539

Mr. Dibble,
I emailed you the requested information earlier this morning. I will paste it to this email also.

Thanks
Judson

The plant and cement silo are about 1970 Ross, with a capacity of 100 tons of portland. Its bag house is an Ekon, model 520E, using fourteen (14) 70" x 6" coned cylindrical bags with an area of approximately 480 sf.

The fly ash silo is about 1960 vintage Merit, with a capacity of 60 tons of Type F ash, using four (4) 72" x 20" cylindrical bags with an approximate area of 500 sf.

Future emissions - spray with small droplet sized sprayer heads, which promotes a total blanket around the load hopper.

Good morning Mr. Day!

This will be my third and final reminder and fourth request for information which was not included on the subject item facility's Concrete Batching Plant Air General Permit Registration Form (Description of Facility-Page 10).

You may recall that the purpose of your client's submittal was to renew the facility's expiring Air General Permit Registration.

In order to avoid a denial of entitlement to operate, **I will need the requested information no later than close of business Wednesday, July 14, 2010.**

SILOS-Identification

- 1) Make of each, model #, product contained therein, capacity (Bbls, T, or CuYd)

BAGHOUSES-Identification

- 1) Make of each, model #, what they control, filter area

BATCHER/MIXER

- 1) Identify any control measures for fugitive or confined dust. If controlled by a baghouse I need to know the type, Central Unit ground or truss mounted, Make, Model #, filter area

TRUCK LOADOUT

- 1) Fugitive dust control measures, if any and type such as baghouse, spray ring, enclosed chute, dust curtains etc. If a baghouse, I need to know Make, Model #, filter area.

Thank you for your immediate attention to this matter.

Have a great day!

Sincerely yours,

Dickson E. Dibble

Good morning Mr. Day,

This is just a friendly reminder and follow-up to your e-mail of June 22, 2010 (see below), regarding our request for additional detail in the Description of Facility section of the subject item facility's Concrete Batching Plant Air General Permit Registration Form, which was submitted for renewal of their expired entitlement.

Thank you for your attention to this matter.

If you have any questions, comments, or concerns please e-mail or call.

Have a great day!

Sincerely yours,

Dickson E. Dibble

Subject: RE: AIRS ID# 0910016, Ft. Walton Concrete Company dba Ft Walton Concrete Company, Crestview Plant, 1070 Farmer St, Crestview, FL 32539

Mr. Dibble,

The correct name/owner for the facility is still Crestview Ready Mix and not Ft Walton Concrete Company. I mistakenly placed Ft Walton Concrete Company in the box instead of Crestview Ready Mix. Several of the other facilities are under the name Ft. Walton Concrete and I made a mistake. There was no change of ownership or name change with this facility.

I should have all of the additional information you requested to you by end of business tomorrow.

Thanks
Judson

Subject: AIRS ID# 0910016, Ft. Walton Concrete Company dba Ft Walton Concrete Company, Crestview Plant, 1070 Farmer St, Crestview, FL 32539

Dear Mr. Judson Day,

This just a friendly reminder and follow-up to our telephone conversation last week (06/18/10) regarding the correct name/owner information.

As I mentioned during my call, we are showing this facility in our database as owned by CRESTVIEW READY MIX dba CRESTVIEW READY MIX, 1070 FARMER ST, CRESTVIEW, FL 32570, not FT. WALTON CONCRETE COMPANY.

My question to you was, "Is this a change of ownership or just a name change only?", and you were going to verify with the owner and if in fact there was a change of ownership also provide me with the correct ownership name.

The reason that you have checked on the form as to the purpose of this filing is as follows:

Continue operating the facility after expiration of the current term of air general permit use.

The Air General Permit (0910016-002-AG) for the Crestview Ready Mix Facility expired on May 01, 2010.

Thank you for helping me to clarify this situation.

If you have any questions, comments or concerns please e-mail or call.

Have a great day!

Sincerely yours,

Dickson E. Dibble
