I wish to surrender my Perchloroethylene (Perc) Dry Cleaner Permit at this time. I am no longer using perchloroethylene machines at my establishment. I replaced my machines with a Hydrocarbon machine on October 26, 2007. I hope that you will accept this letter and that you will remove my establishment from your list of establishments that are using perchloroethylene (Perc). An Orange County Environmental Protection Division Inspector conducted an inspection of my facility on November 18, 2008. They can confirm that we no longer are using perchloroethylene (Perc).

Sincerely;

Mr. Paul Ph
