Re: Facility ID.: 0950347

Dear Mr. Froemming:

The Bureau of Air Monitoring and Mobile Sources recently received your Title V Permit Notification Form for the above dry cleaning facility and your check (#19285) in the amount of \$100.00.

We appreciate your submittal. However, your check is being returned to you since it is not due at this time. Fees are due and payable between January 15 and March 1 in the year following each year for which the facility is in operation and subject to the requirements of the general permit. The department will send you an invoice in time for the next payment cycle.

If you have any questions, please call me at 850/921-9586.

Sincerely,

Dickson Dibble
