Bruce:

I am not aware of any documents about these companies before December 2003. As they are general permits, all correspondence is from Tally. Regarding the fax to our office in December 2003, I believe I told the company to contact Tally promptly to show the dry cleaners as closed or sold.

Alan,

We recently received a copy of Robert Wenderott of DCI Management Group Ltd's fax to you 12/9/03 regarding 3 stores that they are no longer operating (AIRs ID Nos. 1170087, 0950359, and 0073503). The invoices for the annual fees for these facilities were mailed out 12/3/03. Do you have any documentation in your files from prior to 12/3/03 that would indicate these stores were changed to drop stores or were no longer operating? Thanks, Bruce
