Dear Mr. Anh v. Duong,

Thank you for taking my call this morning regarding the change of ownership and renewal of the PERC Dry Cleaner Air General Permit registration for your dry cleaning facility.

As I mentioned during our telephone conversation there are a couple of corrections that must be made to the form before the review process can continue.

I have attached an electronic version of the form and highlighted the areas of concern to be corrected.

1) On page 14, question 2.(a) must be completed:

2.(a) How much perchloroethylene (perc) have you used within the last 12 months?
 gallons (You must fill this in)

2) The person who is listed on page 13 as the Responsible Official is the person whose signature must appear on the signature page, page 16. In this case it is your wife's name that appears, so she should be the one to sign and date the form.

Once these items have been corrected mail the original signature copy to the following address:

FDEP-DARM
 BAMMS, MS-5510
 Air General Permit Program
 2600 Blair Stone Road
 Tallahassee, Florida 32399-2400

If you should have any questions, comments or concerns, please e-mail or call.

Thank you and have a great day!

Yours truly,

Dickson E. Dibble
