Ilka,

You and I corresponded on this permit in January of 2008 at which time was requested permission to keep this permit active in the hopes of starting operations sometime in 2008.

Because of the continuing slowdown in the business climate, we wish to surrender the above permit as soon as possible.

The site was never built and we never erected the silo at this location.

If you need anything further from me, just let me know.

Thanks

Mike Mahoney
