Dear Ms. Morrison:

This is to acknowledge that your notification of intent to use the authority of Rule 62-210.310 to operate your **Surface Coating Operations** facility was received on August 26, 2010. We have assigned ARMS No. 0990311-003 to this facility.

As you know, pursuant to Florida Statutes section 403.814, authority to operate under general permits commences thirty (30) days after receipt of the registration form unless you have been notified by this office that your facility has not shown entitlement to operate pursuant to the rule provisions.

For your information, authority to operate pursuant to Rule 62-210.310 expires after five (5) years. Therefore, a new registration form must be received no later than five (5) years after the date your notice was received as indicated above. If your general permit rule conditions require testing, such testing must be completed within the time frame specified in the rule.

If you have any additional questions, please contact Dickson Dibble at 850/921-9586.

Sincerely,

 Sandra F. Veazey, Chief
Bureau of Air Monitoring
and Mobile Sources
