Dear Mr. Jeffrey Cahn,

Per our telephone conversation today, please find the attached .pdf file which contains a copy of the subject item form which you have submitted for the purpose of renewal of your operating entitlement.

On pages 15 & 16 you will find the highlighted items that were left unanswered in questions 1 and 2 and question 5, respectively. Please complete and return to me as soon as possible in order to assist me in completing the registration/application process.

Thank you for your attention to this matter and I look forward to your reply.

Have a great day!
