Attachments: RE: Inactivity of Emission Unit

Dear Mr. Spilfogel,

The intent of this e-mail is to confirm INACTIVATION of the subject item facility's intent to operate using the Surface Coating Operation Air General Permit per your e-mail request of 09/25/09 to **"...eliminate the permit requirement for our facility."**

While only you can eliminate a permit requirement for your facility, which you have done by disconnecting & removing the emission unit, I have proceeded with INACTIVATION based on Faith Martin's inspection of 09/21/09, and your subsequent request.

FACILITY ID# 0990663

COMMENTS: 09/25/09-INACTIVE per e-mail fr Mr. Bill Spilfogel/SunTexGrp requesting surrender of entitlement, lamination press is non-operational and has been dismantled in preparation to be shipped overseas.

Good afternoon Mr. Spilfogel,

The inspection I performed at your facility this afternoon was to verify that the lamination press at your facility has been dismantled. Based on the findings of the inspection and our discussion, you may wish to submit a request to surrender you permit. Please submit your request to Mr. Dickson Dibble at Dickson.Dibble@dep.state.fl.us

If I can be of any further assistance, please contact me at the number below.

Thank you,

Faith A. Martin, Environmental Specialist

Dear Mr. Bill Spilfogel,

I apologize for not responding sooner, but your e-mail did not contain the attachment you described as from Ms. Faith Martin.

Would you be so kind and e-mail me with that attachment?

Thank you and have a great weekend!

Subject: Inactivity of Emission Unit

Dear Mr... Dibble,

Per the attached e-mail from Faith Martin of State of Florida DEP, Suntex Laminating has ceased any activity with regard to the Emission Unit located at 1255 Hill Ave. West Palm Beach, Florida. The unit has been covered, disconnected from any power source and is awaiting export overseas. I request that you eliminate the permit requirement for our facility.

Sincerely,

Bill Spilfogel
