CONCRETE BATCHING PLANT
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

1010494-004

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s): _____
- No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

A Plus masonry + concrete pumping LLC

Site Name (Name, if any, of the facility/site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

A Plus masonry + concrete pumping LLC

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address:

City: 14159 Blacklake County: PASCO Zip Code: 33556-3531

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility)

Owner/Authorized Representative

Name and Position Title (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.)

Print Name and Title: ROB BRUE - OWNER

Owner/Authorized Representative Mailing Address

Organization/Firm:

Street Address: 14159 Black Lake Road

City: ODESSA

County: PASCO

Zip Code: 33556-3531

Owner/Authorized Representative Telephone Numbers

Telephone: 813-926-9800

Fax: 813-926-9812

Cell phone (optional): 727-862-5910

Facility Contact (If different from Owner/Authorized Representative)

Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.)

Print Name and Title: DANNY RICHARDSON - ADMINISTRATOR

Facility Contact Mailing Address

Organization/Firm: A-PLUS CONCRETE + MASONRY

Street Address: 14159 Black Lake Road

City: ODESSA

County: PASCO

Zip Code: 33556-3531

Facility Contact Telephone Numbers

Telephone: 813-926-9800
Cell phone (optional): 727-514-1561

Fax: 813-926-9812

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Date

Type of Facility

Check one:

Stationary Facility

Relocatable Facility

Type(s) of Reasonable Precautions Used to Prevent Unconfined Emissions

Check all precautions to be used for the management of roads, parking areas, stock piles and yards:

Pave Roads

Pave Parking Areas

Pave Yards

Maintain Roads/Parking/Yards

Use Water Application

Use Dust Suppressant

Remove Particulate Matter

Reduce Stock Pile Height

Install Wind Breaks

Check all precautions to be used for the management of drop points to trucks:

Spray Bar

Chute

Enclosure

Partial enclosure

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

** SEE ATTACHED ADDENDUM
FOR PAGE 9. D.*

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

Re: Silo and Software information CC:

Urgent For Review Please Comment Please Reply Please Recycle

Tammie,

Here is the information on the silo:

Marion Batch Paddle Mixer Model #HPC-72240 SN #06002 Value is \$250,000.00

The software information:

Intouch Development/Runtime 64 tag Serial #860663-1 Value is \$17,664.00

If you have any questions, please feel free to contact me at (813) 309-0724. Thank you.

Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

2 Belgrade Silos ; Each silo has
it's own air filter in system which
will contain 16 socks per silo -

We will not be cleaning these
socks - All socks Replaced

every 60 days due to wear; ~~tar~~
for preventative maintenance.

" Silo is self contained for
Quality air Control "

All socks are manufactured by Belgrade

75,000 LBS silo #1 - Fly Ash

145,000 lbs silo #2. - Portland
