CONCRETE BATCHING PLANTS DECEMBED AIR GENERAL PERMIT EXAMPLE REGISTRATION WORKSHEET

SEP 08 2011

Facility Identification Number - If known (seven digit number)	BUREAU OF AIR REGULATION
- 10104	
10107	199-000
Registration Type	
Check one:	
INITIAL REGISTRATION - Notification of intent to: Construct and operate a proposed new facility. Operate an existing permitted facility not currently using an air gene from an air operation permit to an air general permit). If the facility of permits, such permit(s) must be surrendered by the owner or operator permit. (See "Surrender of Existing Air Operation Permit(s)" below. Operates an existing facility not currently permitted or using an air general permit or using an air general permit.	currently holds one or more air operation r upon the effective date of this air general)
RE-REGISTRATION (for facilities currently using an air general perm Continue operating the facility after expiration of the current term of Continue operating the facility after a change of ownership. Make an equipment change requiring re-registration pursuant to Rule Any other change not considered an administrative correction under	air general permit use. e 62-210.310(2)(e), F.A.C.
Surrender of Existing Air Operation Permit(s) - For Initial Registration	ons Only, if Applicable
All existing air operation permits for this facility are hereby surrendered up permit; specifically permit number(s):	oon the effective date of this air general
General Facility Information	
Facility Owner/Company Name (Name of corporation, agency, or individu operates, controls, or supervises the facility.)	al owner who or which owns, leases,
Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plan complete registration must be submitted for each.)	t, etc. If more than one facility is owned, a
Facility Location (Physical location of the facility, not necessarily the mail Street Address: 4 59 Black Lake Rock City: COESSA	ing address.) Zip Code: 33556 -353/
Facility Start-Up Date (Estimated start-up date of proposed new facility.)(1	N/A for existing facility.) New Botch Plant

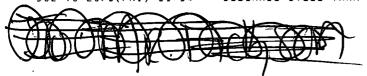

Facility Contact
Name and Position Title (Plant manager or person to be contacted regarding day-to-day operations at the facility.) Print Name and Title: Ammy Richards U Confeding Operations Manager or person to be contacted regarding day-to-day operations at the facility.)
Facility Contact Telephone Numbers Telephone: \$13 926 9800 Cell phone: 727 237-5979 E-mail:
Facility Contact Mailing Address Organization/Firm: A Plus Concrete Mailing Address: 14159 Black half Ro City: COESSA 14159 Black half Ro County: 1480 Zip Code: 33556
Other Contact/Representative (to serve as additional Department contact)

We Have a Belgrade Silos For our deignal plant Each Silo HAS it's own Air Filter in system which will contain 16 sochs per Silo-We will not be cleaning these sochs As All socks Are Replaced every 60 Days Due to were EtEAR FOR preventative maintenauce. "THE SILO IS Self contained For Goality
Aie Control" All socks the manufactured by Belgrade SEE Attachment Exibit A" 75,000 lbs SILO#1= HYASH 145,000 lbs SILO #2 = Poet LANd. A Plus Concrete is A Ready Mix concrete Company providing our customers with High Quality Concrete and Gleat customers Service. New Batch Plant/SILO INFO: "SEE Also Attachment Exibit B" IS A Dual Compartment System W/SILO Manufactured By Belgrade Silas Belgrade 850 Bol Split silo with All Standard Ecopoment. Bust houses with Cage 2 Jam Gates, Full Railing. Two 150 SOFT Dust Houses w/ Air Ubertoes, pop of Values, man hotes, and 12 Externally manted air pads w/marifold, sand blast, prince + paint. 12 yard Cement Batching Package, scale hopper whire vibrators, I him paos, oust vent, two 10" outlerfly values what actuators, Limit, Switch, and Vingl and gom Rubber Boot. Badger 3"Tueso Water make. Any And all socks to be Replaced every 60 Days FOR Breventative maintenance. Assiculty the Same AS OUR Existing Botest Plant, we reduct the Air Wality Expectisely As we have A Reputiful Subdivision or Homes Right next Door that we hipe to heep, pappy, In, that there HAVE never been complaint's since A Plus hocated here
