Dear Jason,

Please accept my apology for not responding earlier, but I am just now able to tackle my stack of administrative tasks.

By this e-mail I am confirming that I have INACTIVATED the subject item facility and the subject item CCB Plant Air General Permit Registration due to current business conditions per your letter requesting rescindment dated 05/20/09 (copy attached).

I was not certain by your letter if this was going to be a temporary or permanent closure. I have processed your request as if it were a permanent closure rather than a Long Term Shutdown. If different please contact me to advise.

FACILITY SCREEN COMMENTS: 05/26/09-INACTIVE per J.Jones, ltr dated 05/20/09 facility has been closed due to economic conditions & request that AGP be rescinded.
