Gary,

Just cleaning up some of the administrative clutter on my desk and came across this. Had not heard back from you regarding the on-site verification, but found in ARMS that Jose` Rodriguez did an inspection on 04/05/2010 and verified that this facility was in-fact in permanent shutdown.

As the result and FYI, I have changed the status of this facility in ARMS to INACTIVE.

FACILITY SCREEN COMMENTS: 04/23/10-INACTIVE, Carl Evans, EVATONE O/AR ltr dated 04/20/10 request rescinding of AGP due to permanent closure of facility & inspection verified on 04/05/10 by Jose` Rodriguez, DEM.
