Gary and/or Jeff,

Please review our previous e-mail regarding the subject facility. To date, I have not yet received any confirmation regarding the closure of the referenced facility. I would like to change the status to INACTIVE if it in-fact has closed, but hesitate to do so without some confirmation from the field.

Thank you for your assistance.

Gary and Jeff,

You may recall the email below that I sent out on 4/06/07, in which I said I would INACTIVATE the subject item facility on April 20<sup>th</sup>? Frankly, I am not comfortable doing that until such time that we can actually verify that the facility has been closed.

Would it be possible, for someone from your office who might be in the vicinity of this facility, to stop by and determine the operating status of the facility in question, then report the findings back to me as to whether or not it is in-fact closed, or still in operation?

Thank you for any help that you may be able to render.

Sincerely,

*Dick*
