RE: Permit 1030322-003-AG; Equipment Status

Dear Mr. Dibble;

Sun Country Cleaners, Inc. recently replaced the RealStar-1 (2/95) Perc machine with a 2007 Columbia Hydrocarbon Machine. It is my understanding that this does not require an initial notification form, which I confirmed with Jeff Morris at the Pinellas County office.

August 13, 2007 was the last day that the Real Star machine #1 (2/95) was used at Sun Country Cleaners. The machine was drained and emptied, cleaned out and aired out prior to removal from the premises.

Installation of the Hydrocarbon Machine (know known as Columbia Hydrocarbon #1 9/07) was done on September 26, 2007.

Sincerely;

Barbara McCarthy

Gary,

I received a letter (*attached*) dated 10/24/07 (*you were CC:'d*) from R/O Barbara McCarthy stating that they had recently replaced a PERC machine with a hydrocarbon machine.

She did not explicitly request the status of the subject item facility be changed to INACTIVE, so I am uncertain whether to do that or not. Until we receive further confirmation 1) that there is no additional PERC &/or PERC related equipment onsite, and 2) whether or not she wishes her facility to be changed to INACTIVE it will remain as an ACTIVE PERC facility.

If you would be so kind to let us know of her intentions with respect to this issue, especially if it was her desire to INACTIVATE, or just inform us of the equipment change, it would be greatly appreciated.

Thank you.

Sincerely,

*Dick*
