Dear Shea,

It has taken a while, but am finally getting around to some of my administrative tasks. The purpose of this e-mail is to confirm your request to DEACTIVATE the subject item facility in the ARMS database.

I have changed the status to INACTIVE based on your comments in the wake of Pinellas County's inspection of the facility and the facility's O/AR rescindment letter. Below are my comments in their entirety as entered in the Facility Screen comment field.

FACILITY SCREEN COMMENTS: 05/21/09-INACTIVE per S.Jackson e-mail, inspection verified 04/21/09 & O/AR letter dated 05/21/09 facility is now (GREEN) using hydrocarbon, PERC & PERC machine removed effective 02/17/09.

Mr. Dibble another source has gone green, no more Perc, no more machine.
We inspected the source April 21, 2009 and verified their current status. The inspection is in GCPI. The source will be deactivated from our Air Quality files. Please see Rescindment Letter attached. We will await confirmation from your office that it has been deactivated in the ARMS System. Thank you.

Re: Title V Air Quality General Permit Number: 1030418-004-AG

Dear Sir or Madam:

This letter is to inform you that we are rescinding our General Permit as above. We no longer need the permit. We have properly disposed of our Small Perchloroethylene Dry Cleaning machine and are currently using a Hydrocarbon DF-2000 (Green) machine. The effective date of this change was 17 February 2009.

Please let me know if you have any questions. I can be reached at the contact numbers above.

Sincerely,

Louis Orlando (Wiso) Gossett
