Subject: Sabalo Boats (1030448-003-AG) - shutdown

Mr. Dibble,

Based on an inspection performed at Sabalo Boats, Inc. (1030448-003 AG), 9470 Ulmerton Road, Bldg 6, Largo, FL, on February 26, 2010, it was discovered that the facility is closed and no longer in business. A pad lock was on the main door and all bay doors to the production facility were closed and locked. No boat molds were observed in front or in back of the property.

A follow-up phone call was placed to Beverly Johnston, RO, of Sabalo Boats, Inc. She stated that the company has permanently shutdown its production facility and has no plans in the future to reopen. Further, she will send a permit rescind request letter to you and a copy to the Air Quality Division. Ms. Johnston is also owner of the Sabalo Boating Center, LLC, which is a business that sells fishing supplies. The address to this company is 12694 Ulmerton Road, Largo, FL. Any future correspondence concerning Sabalo Boats, Inc., will need to be sent to Sabalo Boating Center.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact our office.
