REINFORCED POLYESTER RESIN OPERATIONS  
AIR GENERAL PERMIT REGISTRATION FORM

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Bureau of Air Monitoring  
Mobile Sources

**Instructions:** To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

1030515-003

Registration Type

Check one:

**INITIAL REGISTRATION** - Notification of intent to:

- Construct and operate a proposed new facility.
- Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

**RE-REGISTRATION** (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
- Continue operating the facility after a change of ownership.
- Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Relocating TO New Building

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s):

Permit # 1030515-001-AG

- No air operation permits currently exist for this facility.

Relocating TO LARGO. See below

**Owner/Authorized Representative Statement**

This statement must be signed and dated by the person named above as owner or authorized representative

*I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.*

*I will promptly notify the Department of any changes to the information contained in this registration form.*

Kenneth Cruz \_\_\_\_\_ Date 8/4/10  
Signature Date

**Material Usage Rates**

If this is an **initial registration** for a reinforced polyester resin operation, provide an estimate of the total quantity, in pounds, of styrene-containing materials (resin and gelcoat) expected to be used over a 12-month period. Note: the general permit limits the usage of such material to 76,000 pounds (38 tons) in any consecutive 12 months.

If this is a **re-registration** for a reinforced polyester resin operation, provide the highest 12-month total quantity, in pounds, of styrene-containing materials (resin and gelcoat) used in the last five years. Indicate the 12-month period over which this usage occurred. \* **SEE ATTACHED E-MAIL AS AN ADDENDUM.**

45,000

D.

**Description of Facility**

Below, or as an attachment to this form, provide a description of the reinforced polyester resin operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

All Phases of Fiberglass Fabrication including, Resins, Epoxy to make Part + molds, Use New glasscraft + automatic mix gel gun and Chopper Gun, Hours of operation are 8:00a.m + 4:30p.m. Monday thru Friday. Except Holidays

Hi Dick,

Here is the highest level of styrene and resin use in the past 5 years.

01/01/2007 & 12/2007- 70,819

Thank You

---

Rhonda,

Thank you for the information that I requested in order to consider your Reinforced Polyester Resin Operations Air General Permit Registration form complete and ready for review, processing and renewal as the result of the physical relocation of your facility. The information you have provided will enable us to continue the thirty (30) day mandatory review and processing of your AGP entitlement renewal.

I will attach the information provided in your e-mail as an addendum to Page 7 of your form under **re-registration** where it asks for **"...the highest 12-month total quantity, in pounds, of styrene-containing materials (resin and gelcoat) used in the last five years.** It continues on by asking to **"Indicate the 12-month period over which this usage occurred."**

If you have any questions, comments or concerns please e-mail or call.

Thank you and have a great day!

Sincerely yours,

*Dick*

Dick,

Here is the break down for the last 4 years of resin and styrene use.

01/01/2007 & 12/09- 70,819  
01/01/2008 & 12/2008- 54,530  
01/01/2009 & 12/09- 33,717  
01/01/2010 & 7/2010- 8875

I hope this is the information you are looking for. As you can see 2010 is way down that is the reason of the relocation of Glassworks Of Largo, Inc.

Thank you,

---
